

Fulfillment

Collapse the supply chain and reach patients faster with anticipatory logistics, home delivery, and final mile solutions.

A fully integrated component of our direct-to-patient platform, Medvantage's Fulfillment solutions collapse the supply chain and bring manufacturers closer to patients.

With the industry's only end-of-runway pharmacy, we enable manufacturers to reach patients anywhere in just hours. Partnering with UPS, we offer the largest dedicated healthcare storage and logistics capabilities in the U.S.

We're redefining fulfillment with innovative final mile solutions that leverage anticipatory logistics and proprietary technology.

Final-mile delivery is set to become a critical competitive battleground for the pharmaceutical industry in the coming age of e-commerce and instant fulfillment.

To ensure the independence and long-term viability of their brands, manufacturers need to establish a final-mile strategy that will be able to keep pace with the evolution of consumer demand in the years ahead.

- **61% of internet users would pay more for same-day delivery**
- **82% of shoppers want same-day shipping options**
- **64% of millennials are more likely purchase online if same-day is an option**
- **25% of shoppers would abandon their cart if same-day delivery was unavailable**
